Handbook**

I. CLUB OVERVIEW

The Santa Fe Storm Volleyball Club (“SFSVC” or “SFS”) is committed to providing competitive volleyball opportunities to the youth of Northern New Mexico at an affordable price in a safe and positive environment. In addition to developing the players’ skills, SFS strives to develop the players’ sense of responsibility, commitment, hard work, and teamwork. SFS coaches teach our players to be disciplined, compete and train at full effort, be positive and supportive teammates, and display good sportsmanship.

- A. **SFSVC Junior Olympic (JO) Team** coaches are looking for players with strong volleyball skills and potential for improvement (including attitude, size, strength, and speed). Players must commit to regular practices each week. JO teams compete in monthly multi-day regional tournaments.

- B. **SFSVC Academy** coaches are looking for players who want to learn more about the value of team sports and volleyball basics, and who want to have a great time! Academy players must commit to regular weekly practice.

Our 2022-23 Director is Joe Rodriguez at santafestormvbc@gmail.com.

Recipients must be in current good standing with the club. **Late payments will cancel any financial assistance awarded.** If you apply for financial assistance, you will receive notice about your award by January 10, 2023.

subtract that amount from those totals to pay the balance by check. Make checks out to Santa Fe Storm Volleyball Club and mail them to: PO Box 24081, Santa Fe NM 87502. For a discount to apply, a check must be received by December 31, 2022.

E. Financial Assistance

SFSVC strives to make its opportunities available to all interested players, regardless of economic status. Therefore, financial assistance is available and will be awarded based on need. Any assistance awarded will be applied to the monthly installments (see the schedule of payments above) and will only be ultimately awarded if the player is in good standing with the club. Financial assistance will only be awarded **up to \$300** for JO families (13s-18s teams) and \$150 for Academy families (11s and 12s teams). To qualify for financial assistance you must participate in at least two fundraisers for the year. We will have additional fundraisers for families to opt into to offset costs outside of financial assistance.

To apply for financial assistance, please apply on our website, santafestormvolleyballclub.com, and submit an application by December 31, 2022.

F. Additional Payment Terms

SFSVC keeps its membership fees low to remain affordable to our families. When families do not meet their payment obligations, SFS cannot provide services to its players. Therefore, the Club has adopted the following policies:

- A \$25 late fee will be charged on all late payments
- Once a payment is fourteen days past due, and the family has not made alternative arrangements with the Club, the player will be suspended from tournament play ● Once a payment is thirty days past due, and the family has not made alternative arrangements with the Club, the player will be asked to leave the Club
- SFSVC reports all unpaid fees to SURVA, who will place a “region hold” on the affected player, which prevents them from playing for any USAV Club in the SURVA region
- As a last resort, SFSVC works with a collection agency as needed to collect any past due balances. A 30% to 60% fee is added to the balance if it goes to collection.
- A \$30 processing fee will be charged for all returned checks
- If a player cannot complete the season, any refund will be made at the discretion of the SFSVC director and Board based on the individual circumstances

As a member of SFSVC, you represent the Club at all times. Whether on or off the court, all players are expected to maintain a good attitude that reflects positively on SFSVC. Any
